

Shiv Mandir of Atlanta

(Non- Profit Organization, Tax ID # 58-2594498)

Dear Devotees,

Shiv Mandir of Atlanta has made a strong presence in the North-East suburbs of Atlanta serving the spiritual needs of the Hindu community over the last 6 years at our current location in Global Mall. Within our limited resources, besides the regular Temple activities, we have been hosting regular Children's classes, Bhajans, Yoga classes and Lectures by renowned speakers.

We have also acquired a beautiful parcel of land (11 acres) in Gwinnett County to build a Grand Temple. This Temple will provide more services at a much larger scale, not just for us, but for many of our future generations.

We need to raise funds to start the land development process and start Temple construction soon. Please contribute generously via your checking or savings account.
